

Johns Hopkins Bayview Medical Center Campus

The Department of Medicine administrative offices are located on the first floor of the "B-building" (northwest of the main hospital.)

The closest parking is the Mid-Campus Visitor Parking Lot. To enter the lot from Eastern Avenue: 1) turn left on Bayview Boulevard, 2) turn right on Bayview Circle, and 3) turn left into the Mid-Campus lot just before the Asthma and Allergy Building.

The B-building visitors' entrance is on north side (facing NIDA and the NIA GRC). In the parking lot, you will see small blue signs pointing to the B-building entrance. After you park, walk through the lot towards this north entrance. (Path marked with green dots.)
