

Hien Tan Nguyen

Johns Hopkins Bayview Medical Center
Department of Surgery
4940 Eastern Avenue
Baltimore, MD 21224
410-550-5900 / 410-550-2011 Fax

EDUCATION

- 1994-1998 University of California, Davis
Bachelor of Science in Biology with Neurobiology, Physiology, and Behavior Sciences
Minor in English
Graduated with High Honors
- 1998-2003 University of California, Davis School of Medicine
Doctorate of Medicine
- 2003-2004 Intern, University of California, San Francisco East Bay, CA
- 2004-2007 Junior Resident in Surgery, University of California, San Francisco East Bay, CA
- 2007-2008 Chief Resident in Surgery, University of California, San Francisco East Bay, CA
- 2008-2009 Fellow in Minimally Invasive and Bariatric Surgery, Johns Hopkins Medical Institution, Baltimore, MD

APPOINTMENTS

- 2009- Assistant Professor of Surgery
Johns Hopkins Medical Institution, Baltimore, MD

LEADERSHIP/COMMUNITY EXPERIENCE

- 1999-2000 Clinica Tepati Co-Director
- A non-profit Primary Care Clinic for the indigent population of Sacramento
 - Personnel Manager
 - Medical Resources Manager
 - Committee Head for Publicity and Health Management
- 1999 First Clinica Tepati Free Influenza Vaccine Clinic
- Organizer and Committee Head
- 2000 Anatomy Tutor, University of California, Davis
- 2000 Invited Speaker at Undergraduate Pre-Medical Functions

- 2000
 - Student Advisor
 Admissions Committee Member for University of California, Davis School of Medicine
- 2008
 - Interviewer and evaluator
 Admissions Committee Member for Johns Hopkins Hospital, Minimally Invasive Surgery Fellowship
- 2009
 - Applicant Review
 Instructor for Johns Hopkins Medical Robotics Seminar

HONORS AND AWARDS

Medical Student of the Year Award from Clinica Tepat
 Dean's List
 Golden Key National Honor Society
 Phi Kappa Phi Honor Society
 Edward Kraft Scholarship
 Clinica Tepat Service Awards:
 Best Community Clinic Award from UC Davis
 Community Service Of the Year Award from Kaplan

PROFESSIONAL MEMBERSHIPS

American Medical Association
 American College of Surgeons
 Society of American Gastrointestinal and Endoscopic Surgeons (SAGES)
 American Society for Metabolic and Bariatric Surgery (ASMBS)

CERTIFICATION

- 2003 Provider, Advanced Cardiac Life Support
- 2004 Medical Board of California, Physician and Surgeon (A092451)
- 2004 Provider, Advanced Trauma Life Support (292946-P)
- 2005 DEA License (FN0285014)
- 2006 Maryland Medical License (D0067008)
- 2007 Maryland Controlled Dangerous Substance License (M64180)
- 2008 Board Certification in General Surgery, American College of Surgery
- 2009 Fundamentals of Laparoscopic Surgery Certification

RESEARCH

1996-1997 Isolation of HIV gp120 and gp41 as Vaccination against viral infection

- 1997-1998 Molecular Cloning of EBNA-1 Gene for the possibility of Gene Therapy against Epstein Barr Virus
- 2000-2001 Computed Tomography Study of Head and Abdominal Trauma

CURRENT RESEARCH INTERESTS AND EXPERIENCE

Laparoscopic Complex Ventral Hernia Repair, Single Incision Laparoscopic Surgery, Single Port Access for Laparoscopic Surgery, Natural Orifice Transluminal Endoscopic Surgery, Bariatric Surgery and Outcomes, Robotic Surgery

PEER REVIEWED PUBLICATIONS

Do All Patients with Left Costal Margin Injuries Require Radiographic Evaluation for Intra-abdominal Injury? Holmes JF, Nguyen H, Jacoby RC, McGahan JP, Bozorgchami H, Wisner DH *Annals of Emergency Medicine* 2005; 46(3):232-6

Is Definitive Abdominal Evaluation Required In Blunt Trauma Victims Undergoing Urgent Extra-Abdominal Surgery? Schauer BA, Nguyen H, Wisner DH, Holmes JF. *Academic Emergency Medicine* 2005; 12:707-11

Do patients with left lower chest injury require abdominal CT? Holmes JF, Nguyen H. *Academic Emergency Medicine* 2001; 8:516

Is abdominal computed tomography or diagnostic peritoneal lavage required for abdominal clearance in blunt trauma victims undergoing emergent extra-abdominal surgery? Schauer BA, Nguyen H, Holmes JF. *Annals of Emergency Medicine* 2002; 40:S61

Reliability of the abdominal examination in blunt trauma patients with minor head injury. Holmes JF, Nguyen H, Wisner DH. *Academic Emergency Medicine* 2004; 11:513

Diaphragmatic Laceration After Penetrating Trauma: A Direct Visualization and Indirect Findings on Focused Assessment With Sonography for Trauma in the Emergency Department. Hoffmann B, Nguyen H, Hill H. *Journal of Ultrasound in Medicine* 2009; 28: 1259-1263

INVITED PRESENTATIONS AND PUBLICATIONS

1. Medical School Application Process

- University of California, Davis. March 1999
2. Isolating Glycoprotein 120 on HIV and Potential Gene Therapy
University of California, Davis Research Symposium May 1999
 3. Abdominal Anatomy for Medical Students
University of California, Davis July 2002
 4. Commencement Speaker Clinica Tepati
University of California, Davis May 2003
 5. Hepatic Anatomy and Physiology
University of California, San Francisco East Bay December 2004
 6. Grand Rounds Presenter: The Utility of Pre-Operative Labs for Appendicitis,
University of California, San Francisco East Bay February 2006
 7. SAGES Poster Presentation: Efficacy of Alloderm Mesh for Cruroplasty in
Paraesophageal Hernia Repair, Philadelphia April 2008
 8. The Surgeon's Perspective: What Bariatric Operation Would ASMBS Members
Choose for Themselves? Bariatric Times June 2009
 9. Critical Care of Obese Patients After Bariatric Surgery. Society of Critical Care
Medicine August 2009

SUBMITTED, UNDER REVIEW:

Reliability of the abdominal examination in blunt trauma patients with minor head injury
Holmes JF, Nguyen H, Wisner DH.

Laparoscopic Sleeve Gastrectomy for Morbidly Obese Patients with Paraesophageal
Hernias
