

## **CURRICULUM VITAE**

**NAME:** John W. Harmon, MD

**CURRENT POSITION:**

Professor of Surgery  
The Johns Hopkins University School of Medicine  
Baltimore, Maryland 21205

Staff Surgeon and Director of Surgical Research  
Johns Hopkins Bayview Medical Center  
4940 Eastern Avenue (A Bldg 5C)  
Baltimore, Maryland 21224

Phone           410 550 0400, 0401  
Fax              410 550 1245  
e-mail          jharmon@jhmi.edu

**EDUCATION:**

1965   Harvard College, BA

1969   Columbia University, College of Physicians and Surgeons, MD

**POSTGRADUATE  
TRAINING:**

1969-75                   Surgical Internship and Residency-Harvard Surgical Service. Boston  
City / New England Deaconess-Beth Israel Residency Program.

**POSITIONS:**

1975-85                   Surgical Investigator and then Director, Division of Surgery, Walter  
Reed Army Institute of Research, and Staff Surgeon, General Surgery  
Service, Walter Reed Medical. Rose to Professor of Surgery at the  
Uniformed Services University of the Health Science.

1985-96                   Chief of Surgery, Veterans Administration Medical Center and

Professor of Surgery at Georgetown and George Washington Universities, Washington, DC.

1996-present

Professor of Surgery, Johns Hopkins University School of Medicine, and Director of Surgical Research Johns Hopkins Bayview Medical Center, Baltimore, MD. Department Chair at Bayview 1996-2001

**AREAS OF SPECIAL INTEREST:**

Gastro-esophageal Carcinogenesis  
Wound Healing

**RESEARCH FELLOWS:**

Keith Lillemoe, MD (Johns Hopkins)  
Adam Dziki, MD (Lodz, Poland)  
Lloyd McKie, MD (Belfast, N. Ireland)

Ragu Chapparrala, MD (Detroit, MI)  
Karim Trad, MD (Beruit, Lebanon)  
Clayton Shatney, MD (Stanford University)  
Richard Perry, MD (Eastern VA University)  
Faiz Bhora, MD (UCLA, Los Angeles, CA)  
Martin Tchorzewski, MD (Lodz, Poland)  
Anil Bahadursingh, MD (Pittsburg, PA)

Barbara Bass, MD (University of MD)  
Eugene Schweitzer, MD (University of MD)  
Anton Sidawy, MD (GWU and  
GTU Washington, DC)  
Richard Malthaner, MD (Toronto, Canada)  
Bert Peterson, MD (New York, NY)  
John Jaffin, MD (US Army)  
Mark Duncan, MD (Johns Hopkins)  
Kurt Bamberger, MD (US Army)  
Faisal Qureshi, MD (New York, NY)  
Colman Byrnes (Belfast, Ireland)

**AWARDS:**

1965 Davis Mason Little Award, Adams House, Harvard College

1969 Merck Prize Columbia University, College of Physicians and Surgeons

1982 William Beaumont Society Annual Award for Excellence in Clinical Research in Gastroenterology

1984 Washington Academy of Surgery First Prize for Surgical Research Fellow

1993 Barry Goldwater Faculty Award- Uniformed Services University of the Health Sciences.

1994 Invited Scientific Presentation at 25th Reunion-Columbia College of Physicians and Surgeons, Class Day

2001 Award for Best Paper by a Research Fellow: Colman Byrnes. Wound Healing Society, Annual Meeting. Plenary Session.

2005 Selected for the TOP group of Translational Research Investigators and Johns Hopkins

### **PROFESSIONAL SOCIETIES:**

Alpha Omega Alpha  
American College of Surgeons  
American Association of Endocrine Surgeons  
American Surgical Association  
Association for Academic Surgery  
American Physiological Society  
Collegium International Chirurgiae Digestivae  
Pancreas Club  
Surgical Biology Club III  
Southern Surgical Association  
The Society for Surgery of the Alimentary Tract

### **UNIVERSITY COMMITTEES**

Curriculum Committee-Uniformed Services University of the Health Sciences 1978-1982  
Faculty Senate-USUHS, 1980-1982  
Vice President, Faculty Senate USUHS, 1981-1982  
Chairman, Faculty Senate Curriculum Committee, USUHS, 1980-1981

Practice Management Committee-Johns Hopkins Bayview Medical Center 1996-2000  
Medical Staff-Johns Hopkins Bayview Medical Center 1996-2000  
Executive Quality Medical Committee, Johns Hopkins Bayview Medical Center 1996-2000

### **NATIONAL RESEARCH PEER REVIEW**

Surgery and Bioengineering Study Section, National Institutes of Health - Army Liaison -1983 to 1987  
Ad hoc member - NIH Surgery and Bioengineering Study Section, 1987  
Chairman, NIH Study Section, Surgery and Bioengineering, Small Business Innovation Research, March, 1991  
Ad hoc member - VA Surgery Merit Review Board, March 1992  
VA Study Section-Surgical Merit Review Board. Program Specialist. 1994-1997.

### **MEDICAL PUBLIC POLICY**

Member of NATO Panel VIII Physics and Medicine of Wound Ballistics/Casualty Care - 1983 to 1986

Member NIH Consensus Conference - Role of Hemostatic/Endoscopic Therapy for Bleeding Ulcers, March 6-8, 1989

Presenting Consultant for HCFA. Topic: Laser fragmentation of gallstones. ICD-9-CM Coordination and Maintenance Committee. December 4, 1989

Institute of Medicine - Task Force on Clinical Research in Surgery, April 1992

Planning Committee to Develop Research Initiatives, NIH Workshop: Chronic Wound Healing. Jan 11-12, 1993

### **MILITARY:**

COLONEL, US Army Reserve Medical Corps - 1987-present

Professor, Uniformed Services University of the Health Sciences - 1985-present

Highest military decoration - Meritorious Service Medal. Awarded for accomplishments in research at Walter Reed Army Institute for Research, 1984.

"A" Proficiency Designator for Exceptional Professional Ability - 11 July 1988.

Expert Field Medical Badge 1981

**LICENSE:** District of Columbia  
Maryland - License

### **BOARDS:**

Certified by American Board of Surgery in General Surgery in 1976, Certificate #21948  
Recertified, 1985 and 1995

Certified by American Board of Surgery in Surgical Critical Care, 1992. Certificate #760.

### **PUBLICATIONS:**
